BIRDHOUSE BUILD & SILENT AUCTION

Birdhouse Build:

Sponsors will collaborate with a local artist provided by Rebuilding Together of Greater Charlotte to create birdhouses that will be added to a silent auction. This is a great opportunity for colleagues to work together on a creative project and build stronger relationships within the team and in the Greater Charlotte community. All proceeds from the birdhouse auction will support critical home repairs for our neighbors in need.

Silent Auction Details:

On June 6, 2024, we will host a silent auction event where sponsors, RTGC volunteers and homeowners, and the general public will be invited to mingle and bid on the birdhouses.

The event will take place at NoDa Brewing, 2921 N. Tryon St. Sponsors will all be allotted tickets, but additional *tickets will be available for purchase starting May 1, for \$25. This ticket price will cover entry and small bites/drink.*
